

- What degree program and concentration should I select?
- What are the time commitments and how quickly will I be able to complete my degree?
- What will it cost? Is the undergraduate book grant available to me?
- How can I affordably finance my education?
- Will any of my prior training or academic courses transfer toward a degree at APU?
- Is online education right for me?
- How does online education work?
- Can I take just one class instead of signing up for a semester to see if I like the program and online format?

**At American Public University,** we are committed to helping you succeed in your college career. Please contact our Enrollment Services team at **1-877-777-9081** or **info@apus.edu** to answer your questions or to learn more about our programs and support teams.

We want you to make an informed decision about the university that's right for you. For more about the graduation rate and median debt of students who completed each program, as well as other important information — visit [www.APUS.edu/disclosure/hospitality](http://www.APUS.edu/disclosure/hospitality).

## Undergraduate Hospitality Management Programs at American Public University (APU)

APU's undergraduate hospitality management programs are designed to help you advance your career throughout the hospitality industry, from food and restaurant operations to tourism and parks and recreation management.
