

- What degree program and concentration should I select?
- What are the time commitments and how quickly will I be able to complete my degree?
- What will it cost? Is the undergraduate book grant available to me?
- How can I affordably finance my education?
- Will any of my prior training or academic courses transfer toward a degree at APU?
- Is online education right for me?
- How does online education work?
- Can I take just one class instead of signing up for a semester to see if I like the program and online format?
