

SAFETY CHECKLIST

1. Stop, look, and listen; gather information before you act.
2. Do not rush when the situation doesn't really require speed.
3. Get plenty of assistance.
4. Stay alert for the danger signs.
5. Wear your body armor.
6. Maintain a reactionary gap; don't get too close too soon.
7. Watch your approach and positioning.
8. Always watch their hands.
9. Don't make dangerous assumptions.
10. Use cover properly.
11. Use backup wisely; follow good contact and cover tactics.
12. Follow careful weapons retention practices.
13. Never stop looking for the next threat.
14. Expect the unexpected.
15. Make some contingency plans for surprises.
16. Never use "cowboy" tactics.
17. Never daydream on the job; stay alert.
18. Maintain proficiency with all your equipment through regular practice.
19. Realize that all equipment has limitations, and so do you.
20. In a crisis situation, make a decision, even if it's imperfect.
21. Stay in good physical/emotional condition.
22. Handcuff properly.
23. Search correctly.
24. Be aware of who and what is present in your immediate environment.
25. Practice tactical withdrawal, as required.
26. Count on your good common sense.
27. Maintain a winning mind set.
28. Avoid carelessness and complacency at all costs.
29. Never stop learning your job.
30. Remember to survive mentally too.
